The Gentle Way II; The Story Countinues: Benevolent Outcomes

- Tom Moore advocates that this is the most simple yet most powerful spiritual tool you can use for the rest of your life.
- Tom has been using this spiritual tool for almost fourteen years and shares what he knows from personal experience.
- You will learn from Tom how to reconnect with that beautiful being we call a Guardian Angel on a daily basis and know you're connected.
- Tom explains that these Guardian Angels are here to assist us, but you have to ask, and know how to ask.
- Here you'll learn how to request Benevolent Outcomes and will be given many examples of how other people are using this tool in their daily lives.
- Tom says that this will lower your stress level and the "fear factor" in your life.
- Requesting MBOs, as Tom calls them, will increase your spirituality and help you to more easily handle the problems and challenges of life.
- The book contains story after inspiring story of people who have overcome great problems and challenges—some would almost call these miracles.
- These true stories are organized by topic, such as benevolent outcomes experienced with cars, homes, job searches, finances, health and more!
- People report that they feel a lightening of spirit and a raising of their vibrational level.
